

MATERIAL SAFETY DATA SHEET

SECTION 1:- Identification	Product Name: Chemical Name: Chemical Family: Chemical Formula: Emergency Tel: Information Tel: Dot Hazard Class:	CONCRETE DUSTPROOFER UN 1263
SECTION 2:- Hazardous Ingredients	Composition A blend of Acrylic CD-Polymer Emulsions	
SECTION 3:- Physical and Chemical Characteristics	Risk Phrases Safety Phrases Appearance	Non Hazardous – none apply Non Hazardous – none apply Milky liquid, off white, translucent
SECTION 4:- Fire and Explosion Hazard	Flash Point (Method used): Accidental Release Measures	None None Applicable Absorb & contain liquid with sand, earth or other absorbent material
SECTION 5:- Reactivity	Stability:	Stable
SECTION 6:- Health Hazards	Emergency and First Aid Procedures: Contact with Eyes – AVOID RUBBING – Rinse / Flush out with clean water for at least 15 minutes. Skin – Wash thoroughly with soap and clean water, remove soiled clothing Ingestion – Administer 2 glasses of milk or water. Seek medical attention. Do not induce vomiting. IF ANY SYMPTONS DEVELOP OR PERSIST, SEEK MEDICAL ATTENTION AND HAND A COPY OF THIS DOCUMENT TO THE TREATING PHYSICIAN.	
SECTION 7:- Precautions for Safe Handling and Use	Keep in closed containers. Do not store in areas where temperatures below 0°C are possible.	
SECTION 8:- Personal Control - Measures	Wear suitable protective clothing.	

SECTION 9:- Special Precautions	Storage – Keep in closed containers. Do not store in areas where temperatures below 0°C are possible.
SECTION 10 Stability & Reactivity	Stable
SECTION 11 Toxicological Information	Not thought to cause toxicological problems
SECTION 12 Ecological Information	Slightly Biodegradable
SECTION 13 Disposal Considerations	Non Hazardous. Do not discharge into sewers or waterways. Suitable for landfill or incineration
SECTION 14 Transport Information	Classified non-Hazardous for transportation
SECTION 15 Regulatory Information	Non-Flammable. Non Hazardous
SECTION 16 Other Information	

TERMS AND CONDITIONS OF ISSUE – USERS RESPONSIBILITY

This material safety data sheet provides health and safety information for the **Smartseal** product concerned as stipulated on Page 1, Section 1. Applications should be consistent with instructions or directions for use contained within our product literature.

Smartseal believes that the information contained in this MSDS is correct to this date and every effort is made to ensure its accuracy however, we can accept no responsibility for any inaccuracies resulting from errors or incomplete statements on source literature produced by raw material suppliers of the corporation.

Because the product is used outside of our direct influence, power or control, it can be used in ways we cannot anticipate, therefore we give no warranty, implied or expressed, as to the accuracy of the information and assume no responsibility whatsoever for any damage to any person, property or business arising from such use.

The responsibility for the proper handling, storage, transportation and use of this product in compliance with pertaining Local, State and Federal Regulations is solely and exclusively that of the purchaser and user of the product.

No employee, agent or any person acting or claiming to act for **Smartseal** on any basis whatsoever has authority to vary these terms and conditions in whole or in part.
